

JSS PUBLIC SCHOOL, B.S.K. II STAGE, BANGALORE-70
ANNUAL REPORT 2019-20

ಪ್ರದಕ್ಷಿಣ ಪುರಾಧೀಶಂ ವೀರಸಿಂಹಾಸನಾಧಿಪಂ ಶ್ರೀ ವೀರಶೈವ ವಿಭವಂ ಶಿವರಾತ್ರೀಶ್ವರಂ ಭಜೆ!!

Education is the most powerful tool which we can use to change the world.
To quote "***What I learn today doesn't make yesterday wrong, it makes tomorrow better.***"

Every academic year is a significant milestone. The Annual Day is an occasion to celebrate, a time to look back with pride and look ahead with vision. Exploring new horizons, finding new dimensions in growth, we have continued to do our best in the last academic year.

With respectful regards and prayers at the lotus feet of His Holiness Jagadguru Sri. Shivarathree Deshikendra Mahaswamiji, it gives me immense pleasure to portray the achievements and activities of the school for the academic year 2019-20. I take this platform to congratulate and thank all the parents, staff members for lending continuous support and encouragement which plays a vital role in our Institution's progressive growth.

We cater to the educational needs of 1613 children from classes KG to X who come from various sections of Society. Being a branch of Big Banyan Tree- JSS Mahavidyapeetha, JSS Public School, BSK branch initiated to spread the light of knowledge in 1995. We commenced schooling with 160 students and today we are blessed with 1613 kids. With the blessings of His Holiness Mahaswamiji, and with due effort from the teacher fraternity we have multiplied by 10 times.

I am happy to say that we have adopted RTE in a very healthy way and around 230 children from LKG to IV are enjoying the benefit of free education. The school will monitor the emergence of students who are well-equipped not only to improve their own lot & that of the society but also to address, in the best possible manner, the various personal, social and moral problems which this complex human life has in abundance. At the Secondary level, to accomplish this goal the emphasis is laid on acquiring in-depth conceptual knowledge.

The CBSE has been functioning with the sole objective of meeting the demands of a competitive world and implements necessary changes from time to time. The CBSE will conduct Class X examination for 80 marks in each of the subjects covering 100% of the syllabus. 20% of the weightage in each of the subjects will be assessed based on continuous assessment during the academic year.

Children are the true ambassadors of success pertaining to school. I am proud to say that 110 students of class X secured 100% results in All India Secondary School Examination conducted by CBSE, Delhi in March 2019. I am highly delighted to pronounce that 97 buds of class X have upheld our school flag high in the sky by securing BOCE 80% in the distinction range and 5 students have secured centum in Maths, Science, Social science and have received the merit certificates from CBSE, Delhi. This track record is maintained with the due support from the Management, parents, and wholehearted efforts of the students and the guiding hands of the facilitators.

Olympiad examinations are conducted every year for the students from class 3 to class 10. These examinations at the school level are competitive in nature and are based on school syllabus. These exams give students an exposure about competitions at different levels and prepare them to face any challenge thrown open to them in future. In a nutshell they are a platform for realistic assessment to prepare a child to face the modern competitive world.

In Cyber Olympiad our of 33 - 3 students have secured gold and 1 student has secured silver medal. 231 students took part in Science Olympiad in which 8 secured gold medal, 10 obtained silver and 7 obtained bronze medals. In Maths Olympiad 144 students took part in which 8 obtained gold, 8 obtained silver and 8 students obtained bronze medals. In English Olympiad 85 students took part in which 8 obtained gold, 6 obtained silver medals.

Spelling is important as it aids in reading. Spelling and reading also have a common factor, proficiency with language. In order to enhance English vocabulary in students, the school in association with Wiz National Spell Bee has been conducting spell-bee competitions for students from 1st standard to 7th standard. These competitions have not only improved the students' vocabulary and grammar but have also boosted their confidence.

The Centre for Human Resource Development conducts a General Knowledge exam every year for students from class 1 to 10. The meritorious students are awarded with cash prize and scholarships for their outstanding performance in these exams. This academic year 17 students were awarded the scholarships at the National and Centre levels. The prizes were distributed during the Swamiji Jayanthi Celebrations.

The academic achievement by the students in board exams, year after year, stand witness to the fact that no efforts are spared and no stones left unturned at JSS to identify, nurture and nourish the students' potentials. The teachers constantly upgrade their professional skills through a multitude of in-house training programmes along with workshops and orientation programmes organized by the CBSE Board, NCERT, our management, Sahodaya Schools complex and other educational institution.

Creativity is as important now in education as literacy and we should treat it with the same status."

In the 21st century, the pure academic type of education that students are being introduced to is slowly paving the way to a whole new type of education with a special focus to incorporate three major genres of education namely reasoning, psychomotor and emotional learning. To bring out the intrinsic and histrionic talents of the students and to develop the cultural dimension of their personality, a rich programme of co-curricular activities - games, athletics, art, dance, music, craft, drama - run parallel to the academic curriculum. Every month, several innovative, creative, mind throbbing activities are conducted by the Subject Clubs. Some of the activities include action songs, story narration, picture composition,, brochure making, pick and speak, advertisement, festival time, tree of life, and many other activities by English, Kannada, Hindi, Sanskrit, Mathematic, Art and Craft, Social Science and IT Club. I am happy to say that from class I to classX we have conducted 82 section wise activities where all the kids have taken part. 1024 students have secured prizes in these activities. The members belonging to the petals of **SARVAJNA, the students' Body-Satya, Dharma, Neeti and Nyaya** actively took part in all the activities with full vigour and enthusiasm.

The National festivals are celebrated in grandeur in presence of eminent personalities.

With the acquired knowledge and training, through Co-curricular activities Sports our students have actively took part in several Inter-School cultural, sports and literary competitions at district, zonal, state, national and international levels. With their success, they have made us proud.

Miss. Tanmyee has secured Bronze in the National Level Swimming contest organized by CBSE, Delhi.

We conducted CBSE initiated projects and activities for our kids. To name a few, World day against Child labour, World Childrens day, Constitution day where all the students of VIII to X std took part very actively. We have enrolled our school for swatch School scholarship award .

We have taken up a few community out reach programmes.

In association with **Bala Janagraha, an NGO**, I change my city- this project is being taken. Students of class VIII are involved in this programme. The students take up actual situation and draw the solution for the problem. The programme aims at "I change my city"- that encourage the children to arrive at logical solutions to the civic problems that surround them.

In association with Children movement of civic awareness (CMCA)-

Eco friendly campaigns were taken up by the students of class VIII. These clubs aim at reinforcing active citizenship amongst teenagers by creating awareness about safe, healthy environment. In association with Children's movement for civic awareness (CMCA) an NGO, we have eco-civic club-JSS CMCA club . 38 students from class VIII are the members of this club. The programme aims at creating awareness on waste management,Conserving energy,Health and hygiene and Plastic free environment

NIE(news paper in Education) and Be- brainy programmes are two educative programmes adopted where in students from class III to X are benefitted. Deccan Herald, Hindu, Indian Express are the three print media involved in the NIE programme.These programme enhance the existing knowledge amongst the learners as they get the learning linked to real life situations. Personalities from all walks of life are the resource persons during NIE classes.

In assoication with Dr. Hiriyanna, scientist, ISRO, Be Brainy programme is being organised. Children from class I to X are gaining this advantage. The programme includes resourceful programmes that are activity based

learning, cognitive learning supported with a book that inculcates habit of reading.

Our school has adopted inclusive set up Education that aims as giving support to the children who are in need of attention. In association with Prayatna Special Education centre, Resource cell was set up in 2010 that aims at counseling parents, teachers and children. The Special educators and the counselor help the children in their academic performance and to deal with their emotional, behavioral problems. Regular assessments and feedback is given to the parents, teachers and the School authority by maintaining the case history of the child.

The Parents Involvement in the School Activities and in their ward's academics produce- Happy children, fewer absences, completed work, better grades, a more positive attitude towards the school, improved behaviour and enhanced communication. They can regularly interact with the teachers to know about the performance of their wards. I sincerely thank all the parents for their trust in us and whose encouragement and constructive suggestions that has given us strength to face the challenges in our Endeavour.

I express my gratitude to His Holiness Jagadguru Sri. Shivarathri Deshikendra Mahaswamiji for the blessings and personal concern showered on us. I thank all my superior officers of the Management, all my colleagues, office staff and my adorable children who are with me in realizing our goal.

121 students of Std X are going to face the challenge in the field of academics in March 2020 as they are writing AISSE organized by CBSE, Delhi. I wish all my kids good luck and aspire that they leave a golden line in the diary of our school with their success. God Bless you all children.

If you are planning for a year, sow seeds
If you are planning for ten years, grow trees
If you are planning for a lifetime, develop humans

Dear parents, Lets march ahead together in progressive positive partnership in moulding our children in to a complete human being with values.

We believe that learning is at the heart of education. We see ourselves as a learning organization: learning about learning." From this learning entity, I wish one all a great, successful and

fruitful year 2020. God bless you all and thank you for your patient hearing.

Thank you.

**Gowri .B. Nataraja
Principal**
