➢ The Vision:

To nurture students into responsible and compassionate citizens who can make a positive difference to their lives and society".

THE MISSION...

To imbibe a thirst for learning and inculcate a desire to excel at every level. This we believe is possible through the amalgamation of our rich culture with modern technology - knitted with three C's – CONFIDENCE, CREATIVITY AND CHARACTER

To prepare the child for future leadership roles: "with roots in our culture and wings for their future"
